MONALISSAH

SINGER | MODEL | BRAND AMBASSADOR

Biography

MonaLissah is a multifaceted recording artist, model, brand ambassador, entrepreneur, and philanthropist whose creativity, ambition, and passion extend far beyond one industry. As a singer first, MonaLissah brings a distinctive presence to contemporary R&B and hip-hop, blending soulful vocals, expressive storytelling, and occasional melodic rap to create music that reflects individuality, confidence, sensuality, and real-life experiences. Her artistry is rooted in authenticity, and she continues to develop a sound and identity that are entirely her own. Beyond music, MonaLissah has established herself in the modeling, pageantry, promotional marketing, and brand activation industries. Since 2015, she has built professional experience representing recognizable brands, connecting with audiences, and bringing energy and personality to live events and promotional campaigns. Her pageantry journey includes Miss Fashion Global and her recognition as a Woman of Grace through SWAAT Society.
